

CHURCH SECURITY: WHERE TO START

Most church leaders and parishioners realize that an armed aggressor is a genuine threat to America's churches. Often, the biggest problem is taking the first steps to security. But what are those steps? Where does one start?

Physical security? Security teams? Church policies?

East Idaho Church Security presents a training seminar that will help churches get started making their churches a safer place.

- **Crime Prevention Through Environmental Design (CPTED)**
Mr. Allen Perez (Retired LEO, SWAT, Gangs, Financial Crimes, & Law Enforcement Instructor)
- **Situational Awareness, Team Requirements, & Team Selection**
Pastor Tim Rupp (Retired LEO & Author of *Pistol in the Pulpit*)
